RE: Fire Services Agreement

Dear George,

Please accept this letter as notification to cancel the agreement for fire protection dated September 11, 1985 between Bulloch County and the City of Statesboro, with said cancellation to be effective as of June 30, 2008, pursuant to the termination clause. This action was taken and voted unanimously on by the Board of Commissioners at its December 4, 2007 regular meeting.

I will be glad to confer with you and forward any additional details as they are developed pertaining to the transition. Meanwhile, in speaking on behalf the County Commissioners, as always, our staff and I will work earnestly to make this transition as cordial and cooperative as possible.

Sincerely,

Thomas M Couch
County Manager
